

# HubbellSafe ShopTalk Seminar

Hubbell Wiring Device-Kellems has launched an all-new **ShopTalk Safety Training Seminar** series to increase knowledge and understanding on the critical subject of electrical safety.

This convenient on-site presentation will focus exclusively on safety products and include product demonstrations, display tables, safety evaluations, and fun giveaways. Request an on-site seminar at your facility today and learn more about what Hubbell Wiring can do for you.

Fill out the fields to the right and return to your Buckles-Smith rep. Let us do the rest!
